## Flake Pastry

Chef Kate Boutillier is passionate about creating pastries that are both beautiful and delicious, using the high-quality fruits, edible flowers, dairy products and spirits that her surrounding community has to offer.

Kate completed her schooling, apprenticeship and winning competition history in Vancouver and Switzerland. She brings the very best of everything she has learned from award winning chefs in British Columbia, Canada and Europe to now come home and offer what she has gained personally, to her community in Salmon Arm, BC.
